## Philosophy of DNRF: Focus on people

---

Excellence  
Trust  
Transparency

If you let the best people grapple with the problems they are passionate about, we set the stage for real scientific breakthroughs

# The D NRF Activities

---

## The D NRF's primary means to strengthen Danish research:

Centres of Excellence (CoE)

Over 80 % of funds, to 77 plus 11 centers  
More than 5.5 bio. DKK comitted

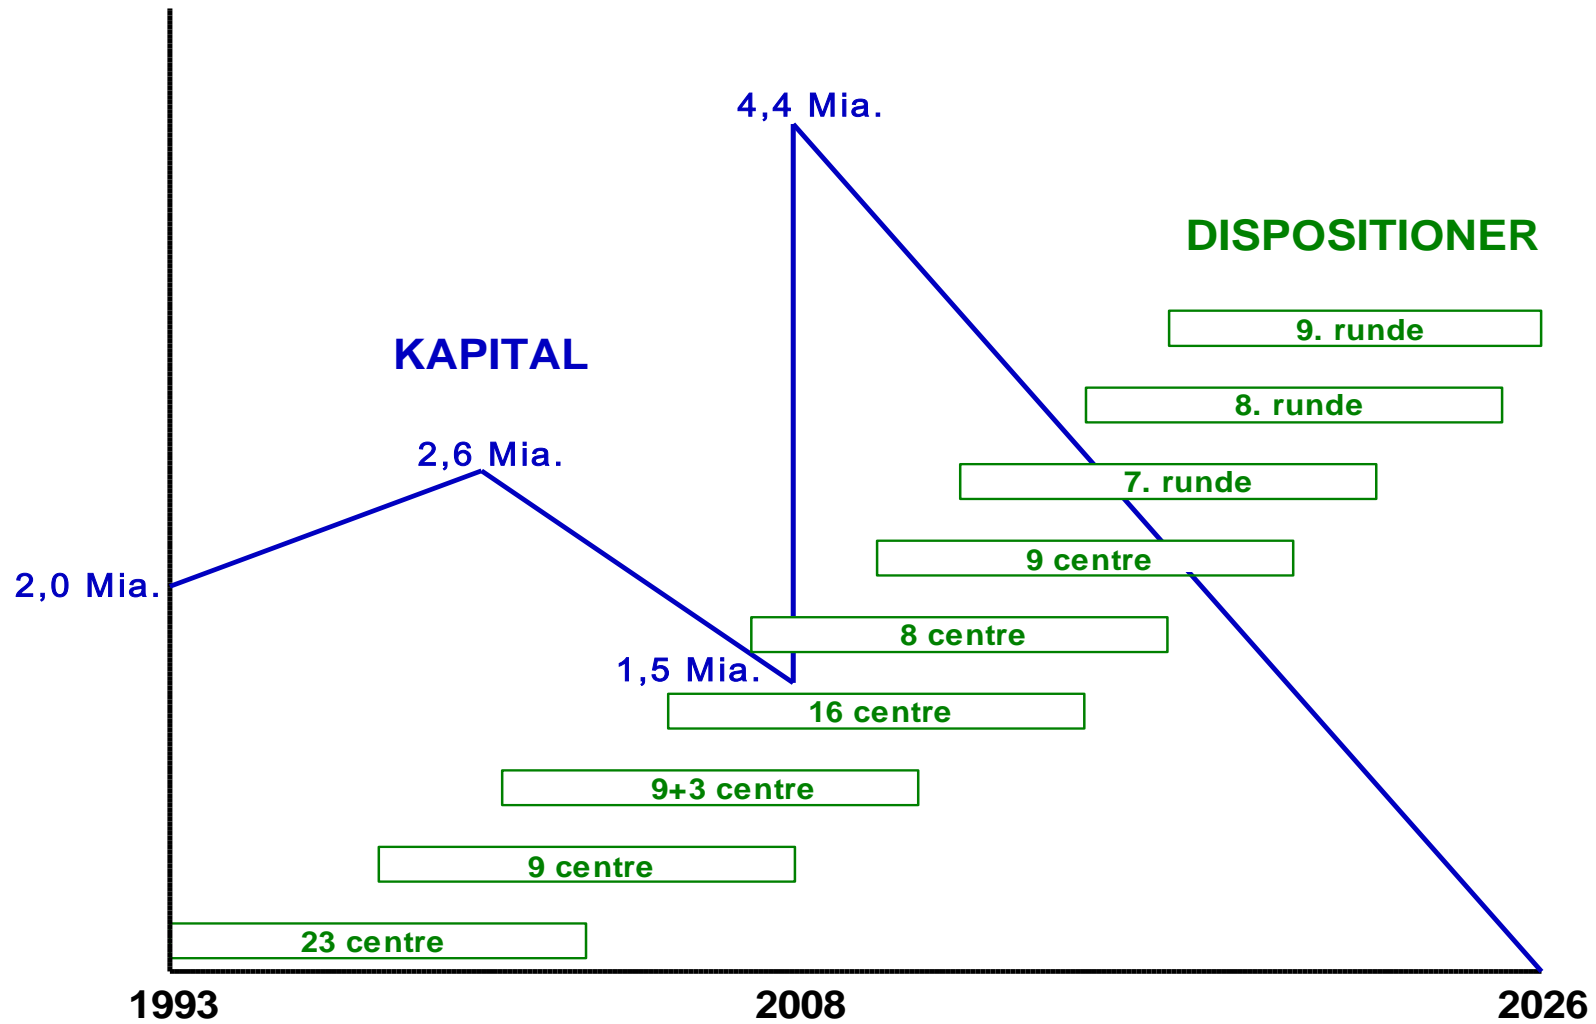

## Other DRNF activities:

Niels Bohr Visiting Professorships

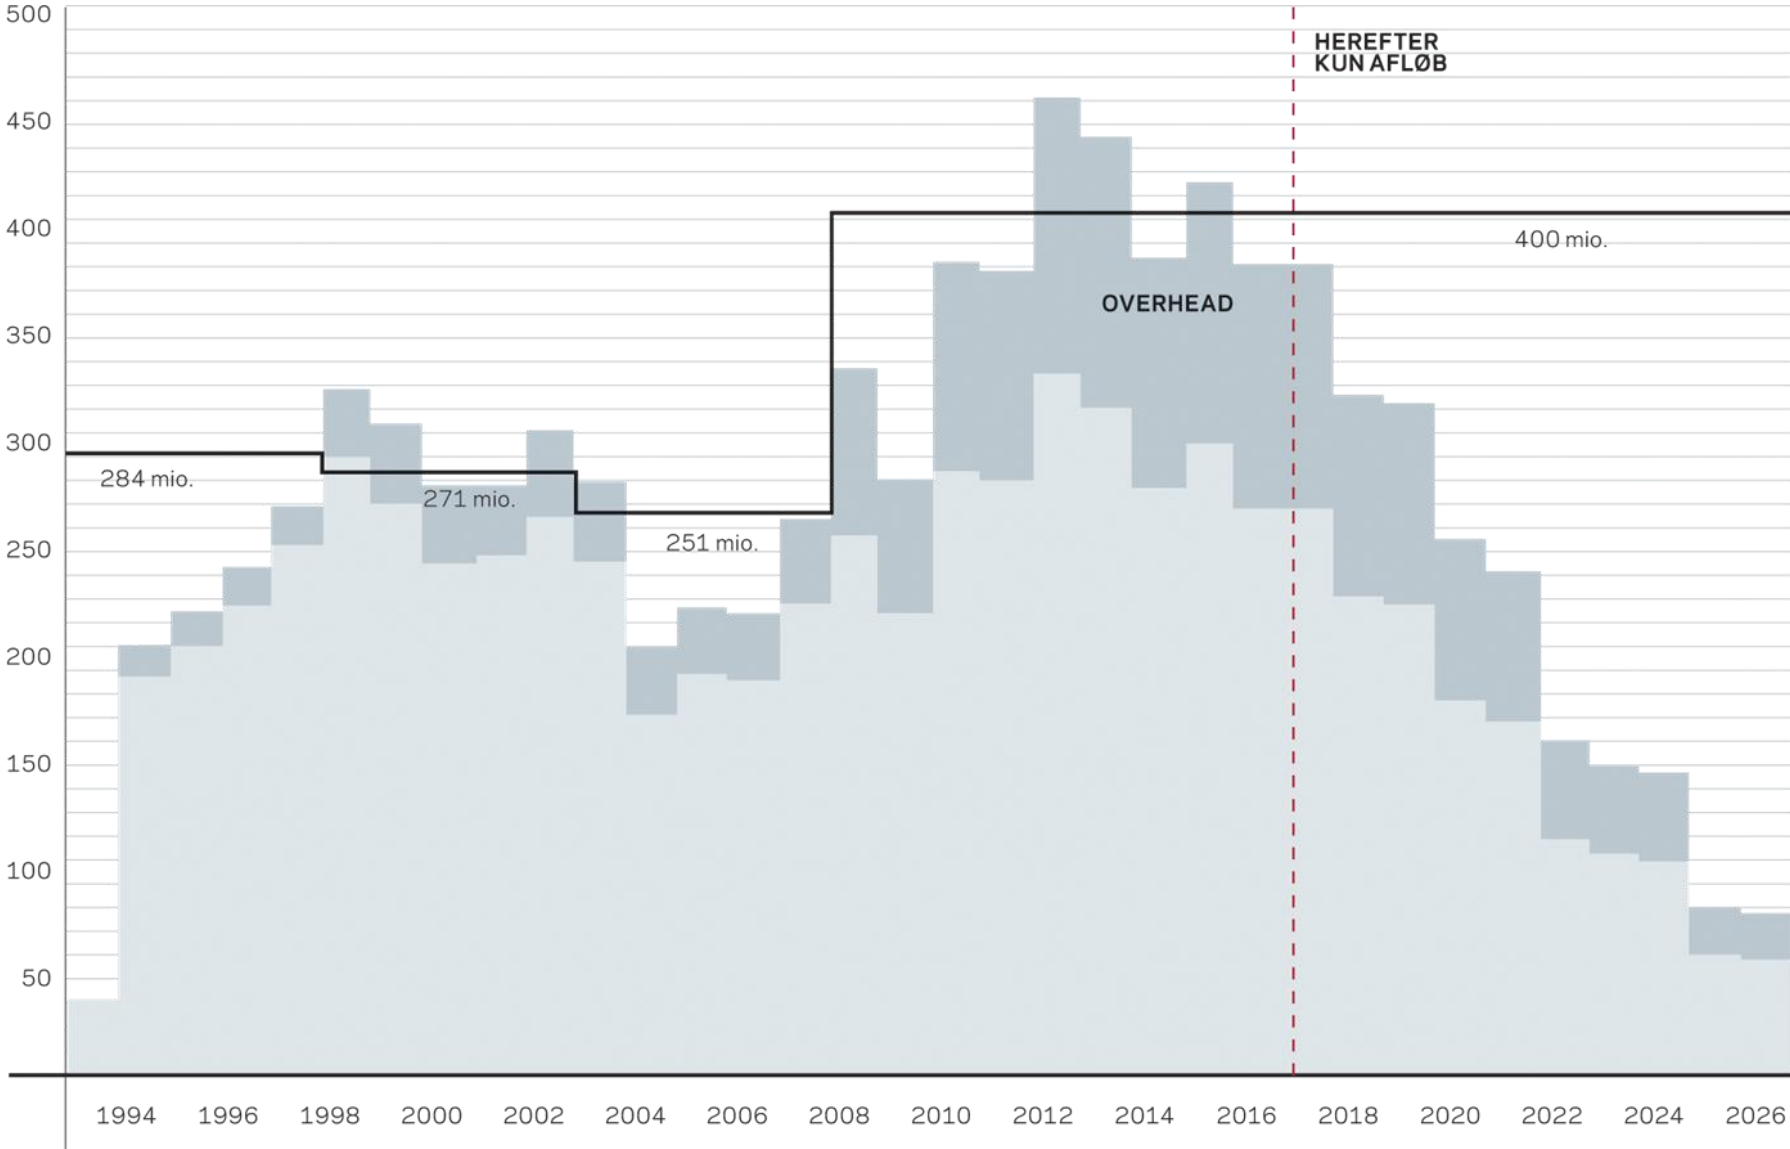

D NRF Professorships

International collaboration with  
Max Planck Society, NSFC, CNRS, NSF

# The DNRF Funding and Activities

## Primary criteria: Scientific Excellence

---

# Central Conditions for World-Class Research

---

- Strong scientific personalities with international “track records” and with full responsibility
- Adequate and flexible funding with a long-term time frame
- Dynamic risk-taking research groups
- Team spirit and common ambitions
- Strong enthusiasm from all participants

# Leadership and Management of Centers

---

## The Center Leader/Director

- Mandate and staff responsibilities delegated by host institutions
- Inspiring, ambitious and visionary researcher and leader
- Ability to engage and support younger researchers
